

Say PANTS
to poverty

Putting the **FUN** into Fundraising

Smalls for All ® collects and distributes underwear to women and children in Africa and the UK. In Africa, we help those living in orphanages, slums, IDP camps and schools, as well as providing underwear to hospitals to help those suffering from medical conditions like obstetric fistula. We also help charities that focus on alleviating poverty in the UK by providing them with underwear.

Underwear is a luxury some people can't afford.

Giving pants and bras may seem like a small thing, but it can make a huge difference. For example, not having pants can mean young girls miss days off school each month.

We accept donations of **new pants** and new and 'gently worn' bras. These are distributed to those who need them most.

We also accept monetary donations which are used to support our work, and what better way to financially support the work of the Smalls than by getting together with family, friends or colleagues and organising your very own fundraising event.

We've put together an A-Z of fundraising ideas which we hope offer inspiration! The most important thing to remember is that fundraising is about raising money and is vital for the charity, but it's also about having **FUN!**
